*Creating better experiences by staying curious and always learning*

## EXPERIENCE

### 🌙 **Moona** Lead Product Designer · May 2021 - Current

I've worked with several clients in many different industries leading UX research, prototyping, UX & UI design, user testing, and stakeholder presentations.

#### **Aeon AI | Lead Designer**

Closely collaborated with the CPO and CTO to reimagine the existing product

#### **Configure One | Lead Designer**

Met weekly with the product manager to review new design work for both desktop and mobile

#### **Attainia | Lead Designer**

Worked with product manager to prepare for the rollout of a new product feature

#### **Toretto | Lead Designer**

Provided a redesign of an existing consumer mobile app

#### **Revalize | Lead Designer**

Met weekly with product team to strategize and design for the unifying of several acquired software companies' products.
